We are delighted that you have found us! Welcome to the Zollenspieker family at kilometer 598.5 of the Elbe River—Hamburg's southernmost point and oldest building.

Our goal is to make your stay as pleasant and enjoyable as possible. We are consciously striving to create a relaxed dining concept for you. In order to not only offer you the best quality, but also to keep our carbon footprint as neutral as possible, we work with many local suppliers.

There is still lots of news and culinary events to come — please feel free to contact us for more information.

Warm regards
