We’re delighted you found us! Welcome to the Zollenspieker family at Elbstromkilometer 598.5 — Hamburg’s southernmost point and its oldest building.

Our goal is to make your stay as pleasant and enjoyable as possible. We have deliberately created a relaxed dining concept for you. Not only do we aim to offer the highest quality, but we also strive to keep our ecological footprint as neutral as possible by working with many local suppliers.

There are plenty of new things and culinary events coming up — feel free to ask us about them.

Warm regards,

The Zolli Crew
